Professional Summary

Computer Science student at the University of Houston–Downtown with experience in C++, Python, and web development. Seeking a Software Engineering internship to apply knowledge of data structures, object-oriented programming, and software design to real-world applications. Passionate about building practical software solutions and continuously improving technical skills through academic and personal projects.

Education

- **University of Houston-Downtown** – Houston, TX
Bachelor of Science: Computer Science
Relevant Courses: Procedural & OOP with C++, Digital Logic, Data & Information structures
Expected Graduation
May 2027
- **Houston Community College** – Houston, TX
Associate of Science
May 2023

Skills

- **Office Tools:** Microsoft (MS) Office Suite – MS Word, MS Excel, etc.
- **Design & IDE Tools:** Visual Studio, Visual Studio Code, Github
- **Spoken Languages:** English (Professionally), Spanish (Moderate)
- **Programming Languages:** Python, C++, JavaScript, HTML, CSS

Project Experience

- **Employee Absence Management System** using C++
 - Built a console-based C++ app to manage employee records, absences, and hours using structs, classes, and file I/O. Included features to add, search, update, and delete records with persistent data storage. Strengthened skills in modular design and real-world application logic.
- **Resume website** using HTML & CSS
 - Designed and deployed a personal portfolio website to showcase projects and technical skills. Implemented responsive layout and clean UI structure to improve accessibility and professional presentation.
- **Drone Education Workshop** at Yates HS
 - Collaborated with fellow UHD students to conduct a workshop at Yates high school teaching students about drones, their many uses, and applications in the real world.

Work Experience

Cleaner at Nora's Cleaning Services

- Maintained clean and organized environments for residential and commercial clients.
- Demonstrated time management and reliability through consistent service delivery.

Jan/2016 – Present

Customer Service Associate at H-E-B

- Provided fast and friendly bagging service while maintaining efficiency and accuracy at checkout to enhance the customer experience
- Assisted customers with loading groceries and offered carry-out service, ensuring a positive and helpful shopping experience

May/2025 - June/2025
